

# EVERGREEN

SERVICE PROVIDERS

Dignity. Stability. Growth.

## Evergreen means lasting growth.

It is our mission to serve and help you achieve your goals. We strive to improve the quality of your life by connecting you with the perfect host home setting that promotes lasting growth in mind, body, and spirit. We're passionate about ensuring the dignity of all Individuals served, one person at a time.

## What makes us different.

- We're a small, non-profit agency in Arvada
- Serving people throughout Colorado since 1991
- Providing a personal touch
- Building lasting relationships
- Walking with you on each step of your journey

EVERGREEN SERVICE PROVIDERS

## Dignity. Stability. Growth.

Our staff and providers work closely with involved family members, Community Center Board staff as well as the Individual, to create customized plans to reach their maximum potential.

Based on your needs, we provide:

- A nurse on staff
- Individual service support plans
- 24-hour on-call staff
- Monthly host home monitoring
- Respite care services
- Wheelchair and walker-accessible host homes
- Transport to medical appointments & outings
- Access to community enrichment programs
- Special diet accommodations
- Medical administration and monitoring

We look forward to working with you.
